

Liza Lacroix: *you whores in my heart*

September 17—October 22, 2022

Opening Reception: Saturday, September 17, 4–8 pm

Level One

Man 1: Who was she slapping in the face?

Man 2: She slapped all of them across the face. I don't know whether she slapped them hard or whether she missed.

Man 1: It didn't feel like it was a slap in the face. I think a slap in the face would have been invigorating. Not welcomed but at least it would have been a surprise...

Man 2: I can't honestly say that it mattered to me.

Man 1: It's energetic, it's playful, I see what everyone is saying about it but at the end I didn't think it had bite.

Man 2: I think she gets in a lot of trouble...

Man 1: You know that sense of getting a slap in the face... It's one of the only things I feel touched by.
